

November 29, 2017

Dear WRNS Parents,

I hope you had a restful Thanksgiving holiday and are looking forward to a festive December!! As we move toward the end of the first semester, I wanted to let you know that Mrs. Betty Keeling, our Preschool Director will not be returning to the school. As some of you know, she suffered an aneurysm in early September and in considering her health and family, she felt that this would be the most ideal time to retire. Mrs. Keeling gave many years of service to our school, for which we are grateful, but I must confess that I applaud her decision to prioritize her health. As I stated in my last letter, you will be able to rely, as always on Mrs McKinley, Mr. Price and me, for anything that you or your child may need.

We realize that change can be challenging for some, but my staff and I are eagerly embracing the change, as we take WRNS into the future! We're excited to have you with us this year and we look forward to partnering with you to provide the best for your children!

Should you have any questions or suggestions, please let me know!

With Regards~

Amy A. Adams, M.Ed.

Principal
